Hi Jacob- I think at this point, I will be the only one able to meet with you all on Friday. And let me confirm that it is the proposed PM2.5 NAAQS that you would like to discuss, yes? Can you please send me the full names of the attendees so that I can let the guard station know who will be coming. All guests will need to sign in and show ID at the guard station prior to entering the building. In case you need to contact me Friday AM, my cell is: Ex. 6 Personal Privacy (PP)

Dear Administrator Guzman, Deputy Administrator Drake, and Director Adams,

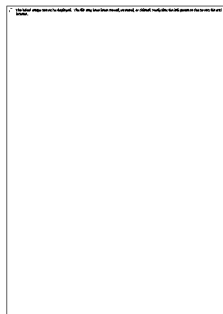

I'm reaching out on behalf of the Sierra Club to schedule a time to deliver a letter summarizing PM rule comments from Sierra Club members and supporters in Region 9. Our team from the San Francisco Bay Area Chapter (cc'd) is interested in stopping by the regional office on the morning of Friday, April 7th before 1pm to deliver the letter and briefly meet with EPA. Will this timeframe work for any of you? If not, is there a staff member who would be available to meet with our volunteers?

Thank you so much for your consideration of this request.

Thanks,

Miranda
